and a short-range wireless access point. The Allen reference does not teach nor suggest the use of such a communication channel.

For at least these reasons, Applicants respectfully submit that every pending independent claim incorporates at least one limitation that is not taught or suggested by the prior art, and request that the rejections be withdrawn.

Dependent claims 2, 7, 9, 14-15, 17, 22-23, 25, 30, 32, 37-38, 40 and 45-46 are dependent upon allowable independent claims and are therefore patentable for at least the same reasons given above.

New Claims

New Claims 50-52 have been added and are believed to be fully distinguished over the prior art of record for at least the reasons given above with respect to Claim 1.

Conclusion

The Applicants have endeavored to address all of the Examiner's concerns as expressed in the outstanding Office Action. In view of the above remarks, the Applicants submit that the application is in condition for allowance and respectfully request the same. If the Examiner finds any remaining impediment to the prompt allowance of these claims that could be clarified with a telephone conference, the Examiner is invited to initiate the same with the undersigned.

The Commissioner is hereby authorized to charge payment of any required fees associated with this Communication or credit any overpayment to Deposit Account No. 23-1209.

Respectfully submitted,
